Mr Carpenter humbly asked for a Conveyance allowance of Rs 50/- p.m. but we have refused to give him a graded pay of Rs 25-1-30 vide our letter dated 22/2 on the ground that it is not admissible under the rules. Sir,

Subject - Sanctioning a graded scale to the appointment of the Municipal carpenter

---

I have the honour to state that the carpenter Sampangi Naidu working in the Municipal workshop at the Sewage Farm having urged his claims for the grant of a cycle allowance as in the case of other officials of the Sewage Farm, it was considered desirable to give him the revised grade of pay as a sort of encouragement since others working at the workshop left service and also in view of the fact that the incumbent has been stagnating 13 years The matter was therefore referred to the Health Committee who in their resolution dated 12-4-1945 recommended sanction to a graded pay of Rs 25-1-30 in lieu of the present pay of Rs 25/- in view of his long service This resolution of the Health Committee was sarctioned by the Council in their resolution dated 27-11-45

I request that sanction of Government may kindly be accorded to the resolution of the Municipal Council An extract of the resolution of the Municipal Council as also of the Health Committee is enclosed

for favour of perusal.

Sir,

Subject Sanctioning a grade pay of Rs 25-1-30 to the carpenter to the Municipality

--

With reference to your letter No L C 446 dated Ø 9-1-46 on the above subject, I have the honour to state that the mere grant of conveyance allowance as prayed for by the official would not be of much advantage as it does not count towards leave allowance and pension It is ascertained that two carpenters left the service in view of the stagnated low pay of the post

With a view to give encouragement to this official, who has stagnated on his present pay from a long time, the council found it desirable to have the

graded pay to the post so as to make it attractive for the future incumbents

I therefore request that sanction to the resolution of the municipal council may kindly be obtained
